

NextGen Global Initiative Core Activities

Youth and Student Empowerment Programs

- Organize mentorship forums, capacity-building workshops, and life skills training.
- Run career guidance programs, innovation bootcamps, and entrepreneurship training.
- Establish student clubs and school outreach initiatives.

Community Child Empowerment

- Promote child protection, education, and family strengthening.
- Offer nutritional, educational, and psychosocial support to vulnerable children.
- Collaborate with schools, churches, and local leaders to build safe environments for children.

Girl and Boy Child Support Programs

- Conduct gender-balanced campaigns addressing empowerment, safety, and education.
- Equip adolescents with reproductive health education and self-esteem training.
- Combat harmful cultural practices through advocacy and awareness.

Mental Health and Addiction Awareness

- Offer counseling, mental health first-aid, and rehabilitation referrals.
- Hold community dialogues, support groups, and school mental wellness campaigns.
- Train peer mentors in basic mental health and addiction awareness.

Empowerment of People Living with Disabilities (PWDs)

- Advocate for disability inclusion and accessibility in education and employment.
- Provide assistive devices, educational sponsorships, and vocational skills training.
- Facilitate support groups and awareness forums for families of PWDs.

Sponsorship and Educational Support

- Identify and sponsor bright, needy students through scholarships and bursaries.
- Mobilize resources from individuals, organizations, and partners for education access.
- Monitor sponsored students and provide mentorship and psychosocial support.

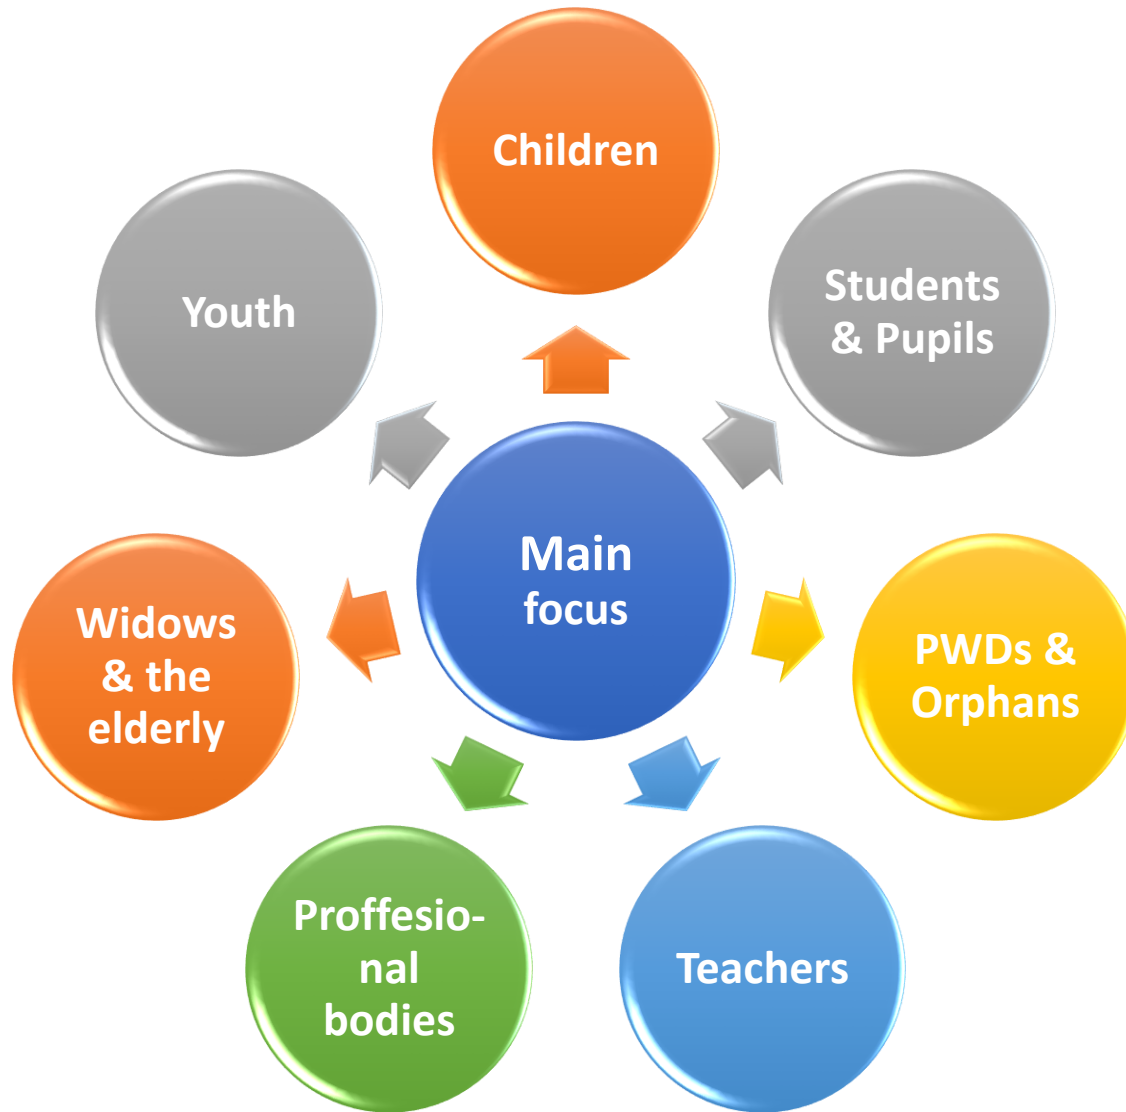

Leadership and Values Training

- Organize leadership development programs for youth and grassroots leaders.
- Promote ethical leadership, civic responsibility, and servant-leadership principles.
- Equip leaders with skills in public speaking, conflict resolution, and project management.

Other Related Community Development Projects

- Partner in initiatives that promote health, environment, peacebuilding, and poverty alleviation.
- Conduct research, publications, and campaigns aligned with the NGO's mission.
- Respond to emerging community needs and emergencies where applicable.

The focus of our programs

The leadership structure
